Goosepimples! x</p>	<p>X 1 – Brilliant – as good as ‘Phantom’. X 1 – Very enjoyable. Would love to see it in a bigger setting. X 1 – Very good – emotional but a great storyline. X 1 – Really gripping! Obviously the sound could be better but the show will be amazing, even as it is now. X 1 SHIT HOT! X 1 – Inspiring, sad, powerful, awesome, emotional. X 1 - Good storyline, some very Emotional bits and musical numbers. I feel it could have ended on ‘You are Here’ and had ‘Forget Me Not’ as a reprise. X 1 – Too much choral work, but very different and a great storyline.</p>	<p>X 1 – Very powerful. With support of atmospheric scenery and full costume I think it could blow you away! X 1- Excellent. Loads of potential. All harmony numbers beautiful – Well Done. X 1 – Some beautiful songs. Wonderful story, beautifully executed. X 2 -Very Good X 1 – Very Good – quite ‘heavy’ in places but with more ‘uplifting’ songs added am sure it will be great. X 1 – Definite potential – Some Excellent songs an performances. Felt for me that it started slowly but fantastic songs especially later on. Well Done! X 1 First Class! X 1 – Very Good. The songs were lovely. X 1 Fab! X 1 – Very Good – the last song needs to be ‘catchier’ (ie a foot tapper) that the audience will still be humming as they leave. X 1 – Amazing and tear-jerking. Fantastic voices and performances. What an achievement! X 1 – Excellent – Fabulous cast! X 1 – I thought it was very well written.</p>	<p>X 1 – very good for the budget and the size of the venue X 1 – Costumes and scenery would be the icing on the cake! Good Luck X 1 –Excellent – worth pursuing. X 1 Very Good X 1 Lovely arrangements of the songs and harmonies X 1 – Excellent production – High quality singing X 1 – Fantastic. Well Done to Everyone X 1 – Very enjoyable – Very glad we came. X 1 Brilliant! X 1 Will be interested to see if the end result pitches to tragedy or humour. X 1 – Amazing! The songs and the voices so moving. Well Done Liz. X 1 – Impressive music, tunes, orchestrations, harmonies and lyrics! Just needs linking up and more movement. X 1 – Great! It can be a large-scale show. In this version all singers needed miking as some voices dominated.</p>	<p>X 1 – Excellent, but in some of the songs the music levels drowned out the voices X 1 – Brilliant X 1 Well Received X 1- Good – I would hope to see more of the young family rather than the older relationship of Osana and Jordain. I love the funny bits. X 1 – Good – I feel ‘The Burning of Ailith’ and ‘Saints and Sinners’ songs’ were superfluous however. Nice show.</p>
